 MICHAEL W. BOBBINS
 CLERK, U.S. DISTRICT COURT

08CV3979
 JUDGE BUCKLO
 MAG. JUDGE NOLAN

Hello, well. I hope and pray that the court and clerk will have some mercy in assisting me with copying my federal habeas corpus petition, so, I could proceed with my Petition.

I will pay for the copies out my state pay every month. can you make three copies, two for the and one stamp copy filed for me.

The reason I'm requesting this, is because this prison went on lock-down June 27, 2008 we are currently still on a level one lock-down. That why Petitioner was not able to get copies. I did not want to miss my deadline for July 6, 2008
